Dear Jere:

We recently received from your office the registration of Mr. Smith as a Merit Badge counselor in unit number D8665.

We placed Mr. Smith on our Ineligible Volunteer File in April 1991. At this time, we would not accept a registration for Mr. Smith.

In calling your office on May 22, I asked that Mr. Smith's registration be deleted from your computer file. Since this was a multiple registration as a Merit Badge Counselor, no credit is necessary for this registration.

If you have any questions concerning this matter, please let me know.

Sincerely,

Paul Ernst, Director

Dear Mr. Smith:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you may have with the Boy Scouts of America.

You should understand the BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.

Sincerely,

Jere B. Ratcliffe
